Awards

Cybersecurity Academy of Excellence Feb 2020
Achieved top honors at the Cybersecurity Mastery Workshop, hosted by the prestigious Cybersecurity Institute of Excellence. Recognized for exceptional proficiency in advanced threat detection, ethical hacking, and implementation of robust security protocols. This award acknowledges the successful completion of hands-on simulations and real-world cybersecurity challenges.
This recognition highlights a commitment to continuous learning and excellence in cybersecurity practices. The workshop provided a platform to showcase skills in vulnerability assessment, penetration testing, and incident response.
